The following checklist is required to be fully read and understood by the applicant. The Yellow Zone checklist (this form) is for all owner, tenants, employers, or staff or guests that have a requirement to access the zone.

Once the Yellow Zone Airside Driving checklist is completed and returned to Ardmore Airport Limited the checklist will be processed and the driving permit and access code provided to the applicant via the tenant or owner.

**Notes:**

- *A Yellow Zone Driving Permit does not authorize the person or vehicle to enter the critical Red Zone area.*
- *Ardmore Airport Limited strongly recommend that all vehicles and drivers have sufficient insurance to cover potential damage to aircraft and infrastructure should an accident occur within the Ardmore Airport Airside Operational Area.*

- |   | <b>Tick</b>              |
|---|--------------------------|
| 1. Aircraft including helicopters have RIGHT OF WAY at all times.   | <input type="checkbox"/> |

# Airside Operational Area Yellow Zone Driving Permit Approval

with the tenant or owner require driving to another part of the Yellow Zone.

7. During any airport emergency, ensure you are clear of Red Zone and any of the Access Controlled Barrier Arms.

8 List 4 hazards a Yellow Zone airside driver may encounter at any time operating a motor vehicle in the Yellow Zone?

- 1 .....
- 2 .....
- 3 .....
- 4 .....

9. The tenant / owner takes full responsibility for any visitors, contractors or maintenance related personnel's actions while driving through the Airside Operational Area.

I/We have read and understand the Yellow Zone Airside driving requirements and agree to comply with all requirements.

I/We recognize that these requirements do not represent a comprehensive hazard assessment for the Yellow Zone and that I/We must complete our own full hazard assessment and adequate health and safety plan for this area and comply with HSE 2015.
